

Director of Special Education

The Greater Lowell Technical High School, a modern vocational-technical high school located in the town of Tyngsboro, with a FY19 budget of \$44M, is seeking to hire a highly qualified, professional **Director of Special Education** for the planning, implementing, directing and maintaining the district's Special Education programs, services, and personnel; and maintaining staffing to ensure that programs and services are achieved within budget. This senior level position reports directly to the Superintendent-Director and Assistant Superintendent/Principal of the school district.

Qualifications:

1. Master's Degree in Special Education (preferred)
2. Massachusetts License as Special Education Administrator
3. Minimum 5 years' current experience as a Special Educator and/or program supervision experience in major areas of Special Education (preferred)
4. Working knowledge of Special Education placement, programming, and services
5. Current knowledge of Federal and State Special Education Regulations
6. Excellent communication skills, meeting facilitation skills, and mediation skills required

Salary range: \$ 113,376 to \$ 131,556 Per Year.

Anticipated starting date: July 1, 2019.

Apply by: May 15, 2019.

How to apply: Apply via: <https://www.schoolspring.com/job.cfm?jid=3088120> , or by submitting: resume/cover letter, three letters of reference, copy of transcripts and DESE license to: Human Resource Office, Greater Lowell Technical High School, 250 Pawtucket Boulevard, Tyngsboro, MA 01879, fax: (978) 441-5333, or email: acosta@gltech.org. A description may be obtained by calling: (978) 441-4938.
